:(

That is indeed sad. If you smile at them, thank them, and be extra polite to them, then they might be too shocked to bully you any longer. It'll show that you can't be swept off your feet and humiliated.

Don't think of this as a goodbye, think of it as a "see you later."

:(That's sad. They shouldn't stoop to that level.

But I know how ya feel. A girl on my bus spread rumors about me and my siblings on the bus and now everyone hates me.

Don't worry it will get better :)

hugs I'm so sorry, Atlas! The best thing I can tell you is to just ignore the rumors because it's likely that if you don't make a big deal about it, they'll d1e out soon. I'm willing to talk to you if you need it!

Sometimes when I feel down, my mom ask me how it will effect me in 5 years. It really helps. I hope you feel better.
